★ “Forget the sophomore slump. Theatre Under the Stars has staged a sophomore explosion.” - *Boston Globe*

**A FEW THINGS TO PLAN YOUR VISIT WITH THEATRE UNDER THE STARS**

- 1. OUR MAIN STAGES ARE OUTDOORS:** NH summer weather is warm days/cool nights. Bug spray is a good idea.
- 2. THEATRES OPEN** at 6pm for pre-show BYO picnicking and refreshment which continue during the show.
- 3. SEATING:** In Waterville Valley and Manchester lawn chairs are available, but patrons may also bring blankets, cushions, and low camp/beach chairs. In Plymouth, Lirtleton, Bethlehem and Newbury it is “BYO” Seating.
- 4. RAIN/SHINE:** In case of inclement weather, all stages have indoor spaces.
- 5. KIDS:** For evening shows marked “PG” we welcome kids who can sit quietly for 75-90 min. However, should kids disrupt others’ enjoyment, parents are asked to remove them until they are quiet enough to rejoin us.
