Since 1993, our teachers, professional actors and directors have worked with thousands of children across the US and Canada. Here's what's been said about our Acting Workshops...

"I enjoyed every part...I reached and found my inner self. It's made me really want to be an actress when I grow up."  
*(Devon, Campton NH)*

"Stage Combat was fun and exciting. It was cool to see the adult actors have sword fights on stage and the next day we're doing it!"  
*(Wes, Medfield, MA)*

"Camp ruled! I'm going to miss you guys. I loved rehearsing the Kid Camp show with the kids and Main Stage with all of the professional actors. I get to see what my life is going to be like when I'm a professional actress!"  
*(Riley, Thornton, NH)*

"I liked it all! They told us that there were no wrong answers and we were free to use our imaginations and do whatever we want."  
*(Taylor, New Paltz, NY)*

"When I am a pro ski racer/actor/newscaster I'll get to use everything I learned here. I loved stage combat, stage fencing, acting, the shows..but my favorite part was having to show fear on stage--because that's not me--but I acted it and got a lot of satisfaction out of doing something new!"  
*(Luke, Campton, NH)*

"I loved every class and every teacher. I want to be an actor when I grow up and loved my roles in the shows and learning my lines!"  
*(Sarab, Campton, NH)*

"I loved sword fighting and acting classes. This was so much fun!"  
*(Michael, Waterville Valley, NH)*

"The best part was learning more about Shakespeare. It's a really cool thing to do and not boring at all!"  
*(Noah, Cambridge, MA)*

Using the famous climactic fight scene from "Romeo and Juliet" (the basis for "The Rumble" in "West Side Story") student actor/combatants will learn how to brandish a sword and dagger like "Pirates of the Caribbean" and throw a punch like Iron Man. Professional actors working in the fields of film, tv and theatre will teach you the basics of armed (sword/dagger) and unarmed (had to hand) combat. ★
